

BHS THEATRE YARD SIGNS

Each sign is constructed of ½" MDO staked for your front yard. MDO is a paintable surface made of plywood with weather-resistant resin overlay bonded to the wood by heat and pressure. The overlay, which has at least 27% resin content, resists water, weather, wear, and degradation. It also has been cleaned of any imperfections as opposed to standard plywood that has knots and cracks. The cost of the sign is \$150 plus tax and will include your student's first name, graduating year and drama masks (you may select one other sport or activity to be included on the sign).
